* DOL Report Year reflects the *Employment & Wages Averages* publication as reported by the Georgia Department of Labor (DOL) for the year shown. These reports are published in the summer following the year of the report. (i.e. 2017 = *Employment & Wages 2016 Averages* publication, as published in the summer of 2017)

Tax Year refers to the tax year beginning on or after January 1 of the year shown in this column (per Regulation 110-9-1-.02(1)(a)). In addition, Regulation 110-9-1-.03(3)(b)1. states: "The average wage of the county means the average wage as reported in the most recently available annual issue of the *Georgia Employment and Wages Averages Report* of the Georgia Department of Labor, which is the issue that is available as of the last day of the tax year in which the jobs are created."

[‡]County with the lowest weekly wage of any county in the state of Georgia per the corresponding DOL publication.

[†]Weekly Wage listed is the lowest average weekly wage as reported by the corresponding DOL publication.
